

## Announcement!

**The Joliet Region Chamber of Commerce & Industry is happy to announce it has selected Vanguard Energy Services L.L.C. as the chamber's preferred energy supplier for both natural gas and electricity!**

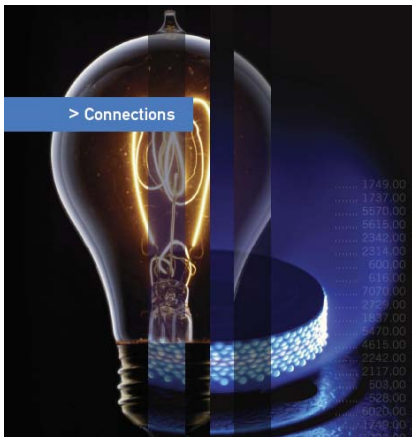

After an intensive look at multiple energy suppliers and their programs, the Joliet Region Chamber of Commerce Board has elected to partner with Vanguard Energy Services as their recommended energy supplier for Chamber members. Vanguard has clearly demonstrated that their programs are specifically designed to help businesses control their energy cost with the overall objective of saving money for the Chamber members.

**Vanguard Energy Services, L.L.C.** is a regionally focused full service certified natural gas and electric provider dedicated to serving Midwestern commercial and industrial clientele.

### **Take advantage of the lowest electric prices in nearly a decade!**

Vanguard's programs and services have been tailored to meet the specific requirements of Joliet Chamber members with NO up-front costs or contract fees.

Here are some of the programs:

- Electricity
  - Guaranteed 11% Savings Program
  - Fixed Price Programs
  - Market Index Programs
  - Block Pricing
  
- Natural Gas
  - Savings versus Utility pricing
  - Fixed Pricing
  - Index Pricing
